**Trailer Life Enterprises : 2008 Trailer Life RV Parks, Campgrounds, and Services Directory (Trailer Life Directory: RV Parks Campgrounds)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 2008 Trailer Life RV Parks, Campgrounds, and Services Directory (Trailer Life Directory: RV Parks Campgrounds):

0 of 0 people found the following review helpful. This book is very Helpful, despite its age! INFORMATIVE!!By Cajun LadyThis book is 5 years old, but is still a wealth of information. Almost all of the parks are still open; call ahead for accurate pricing and amenities. I choose to purchase an older book, in order to pay less money. About the

only thing that changed with these parks, of course is the prices---due to cost of living! Calling the park, some of the parks have changed owner ship, but still you have a place to stay. Information isThis book was almost 5 years old when I purchased it. I did this to save money! The parks are still there, some might have changed owner ship. You just need to call ahead, verify costs and amenities! Of course prices have gone up, but that is the economy. This book is well worth the cost!! About the only thing I actually paid for, was shipping! Other than that, the book was literally free!!!0 of 0 people found the following review helpful. Five StarsBy DenGreat for finding an RV park on your journey.2 of 2 people found the following review helpful. RV Road BuddyBy B. K. BenavidezThis has helped tremendously charting our cross-country trip. The format lacks a little; ie. the addresses of the RV campgrounds are not included. But, along with google maps as a companion it works out just fine. Even though it is the 2008 issue we don't think much would change. The price is right!

One of the great themes in American culture is leisure travel, and the motorhome is perhaps the single most evocative symbol of that carefree lifestyle. But where to travel to? The number, variety, and quality of parks can be daunting. The annual Trailer Life Directory guides both seasoned and first-time travelers through the maze of information. This guide contains over 12,000 listings of RV parks, profiled and ranked by a rating system developed exclusively by Trailer Life Enterprises. Its all here: service and repair facilities, Good Sam Discount locations (the only complete guide to these), state fishing licensing regulations and fees, and Canadian road and highway telephone numbers. Also here are bridge, ferry, tunnel, and tollway data, seasonal temperature maps, tourism offices, Internet access, and ATM availability. The 2008 directory includes important, up-to-date information on traveling with pets and a special editorial on Quebecs 400th anniversary.
