off by the few pages of ads, which can be ignored or torn out. Whether or not "Hardback covers", (government  
edition) are worth the extra price is a subjective consideration.Having said that, for those with a use for or need of the  
data in the annual NA, it is irreplaceable.0 of 0 people found the following review helpful. Guardian PhoneBy Jack

RobinsonThe Guardian Phone I bought is for my daughter, who lives alone. It will help her greatly if she has any kind of accident, and there are no monthly charges.2 of 3 people found the following review helpful. Nautical AlmanacBy Wanda BI buy this nautical almanac every year for my husband. He spent 33 years at sea and uses the book often. It's a great buy.

The cornerstone for all celestial navigation, listing the celestial bodies used for navigation, a sight reduction table, and other information valuable to the offshore navigator. The content of this edition is identical to the United States Naval Observatory edition. Paradise Cay Publications is the only entity in the United States other than the US Government legally authorized to publish the full contents of the Nautical Almanac.
