Donna Houseman : 2016 Scott Catalogue Volume 2 - (Countries C-F): Standard Postage Stamp Catalogue (Scott Standard Postage Stamp Catalogue Vol 2 Countries C-F) before purchasing it in order to gage whether or not it would be worth my time, and all praised 2016 Scott Catalogue Volume 2 - (Countries C-F): Standard Postage Stamp Catalogue (Scott Standard Postage Stamp Catalogue Vol 2 Countries C-F):

All told, almost 13,500 value changes are recorded in Vol. 2 of the 2016 Standard Catalogue. Canada and Canadian Provinces received a thorough going over this year, which resulted in slightly more than 5,000 value changes. Aside from Canada, countries with notable numbers of value changes include Dominica, with a shade more than 1,100, and Falkland Islands, with almost 1,500. Cameroun comes in with almost 500 value changes. Some of the increases among the modern issues are substantial. Chad was reviewed from front-to-back, yielding almost 550 value changes. Increases of 10 percent or more are seen almost across the board. A partial review of Dominica netted more than 1,100 value changes. With that said grab your stamp album, pick up your tongs, settle in with your copy of the Scott Catalogue and bask in the pleasures of the world's greatest hobby.
