Today's says, "Sure you're powerless, sure you're just one person, sure you can't change anything...but you don't have to be miserable about it as well." I mean seriously. How is that supposed to be inspiring? I wish I had saved more examples. I think in four months, there has been 1, maybe 2 pages that actually gave me any inspiration. I have not regretted a purchase so much in a very long time. 3 of 3 people found the following review helpful. Awesome Calendar By April Penna My friend wanted one of these for Christmas, After i read thought about what is in it. I bought 7 more, For all the wonderful close woman i have in my life! I love This! 1 of 1 people found the following review helpful. Just what I was looking for By Jessica I looked a lot for a great, inspiring desk calendar that would make me laugh and make me think. This one did just that. I've really enjoyed it so far and the daily quotes are really targeted towards strong females. I hope to order one next year also!

Society inundates women with messages on how we should be and who we should be. Meant to inspire women to be themselves rather than fit in a neat little box, this is an inspiring quote calendar for x-gen and millennial women ready

to take on the world by being themselves. This calendar won't tell you how to embrace your inner strength or explain female empowerment with a lot of sappy quotes from women long gone. Instead, this calendar will give you witty, no-nonsense inspiration from the likes of Tina Fey, Lena Dunham, Hillary Clinton, and Jon Stewart, but it will throw in a little Virginia Woolf and Audrey Hepburn just to keep it classy!"Saying 'yes' doesn't mean I don't know how to say 'no,' and saying 'please' doesn't mean I am waiting for permission." Amy Poehler"The moment anyone tries to demean or degrade you in any way, you have to know how great you are. Nobody would bother to beat you down if you were not a threat."Cicely Tyson "Taking initiative pays off. It is hard to visualize someone as a leader if she is always waiting to be told what to do."Sheryl Sandberg
