Five StarsBy STEVEN L INGLEBYExcellent GB road atlas

The ultimate 3.2 miles to 1 inch scale large format spiral bound road atlas of Britain for 2017, featuring Collins popular and well established road mapping, and designed for exceptional clarity and ease of use. The atlas also includes a wide range of urban area maps at even larger scale and 64 detailed town center street plans. The mapping shows speed limits at speed camera locations. This fully updated road atlas covers the whole of Britain with each scale

of mapping color-coded for ease of use. The smallest scale maps are great for long distance route planning and the street plans help you locate your final destination. The atlas includes easy to use, clear road maps at a scale of 3.2 miles to 1 inch of England, Wales, and Southern Scotland. Northern Scotland is shown at 5 miles to 1 inch; a route-planning section including maps at a scale of 15.8 miles to 1 inch (1:1,000,000) for long distance route planning, motorway services information, and a handy distance calculator; 22 urban area approach maps at 1 mile to 1 inch which clearly show the best routes through and into the busiest built-up areas; 64 street maps focused on town centers showing places of interest, car park locations, and one-way streets; fully updated fixed speed camera sites with average speed camera locations clearly highlighted and all speed cameras show the speed limit; M25 orbital map; information about restricted motorway junctions; Park Ride locations shown, ideal when visiting towns and cities; More than 30 categories of places of interest including castles, theme parks, sports venues, universities, mountain bike trails, and surfing beaches; and full postcodes for the top 1000 places of interest ideal for use alongside satnav systems.
