By Thomas Paster This book is for everyone who loves a cappella and wants to get better at it. Whether you're an a cappella novice or the best a cappella coach in the world, this book has a LOT of practical information for everyone! Deke Sharon, Ben Spalding, and Brody McDonald are three of the best in the a cappella world and have put together a comprehensive "how-to" book that even brings in other experts (such as JD Frizzell, Nick Girard, Bill Hare, Peter Hollens, and others) to share their vast knowledge of key a cappella topics. This book is a must have for any a cappella performer or director and the best part is that Deke, Ben, and Brody are accessible to you if you have any questions. You can spin your wheels in musical mud or you can buy this book and get moving on the a cappella highway....your choice! 10 of 10 people found the following review helpful. Must read for a cappella performers!! By Customer This is a solid resource for anyone in a cappella! The guides to every piece of running a group, using microphones, and other musical techniques of the modern era are a refreshing change of pace from most other a cappella resources that are available at the moment. 7 of 7 people found the following review helpful. A Must Read for a cappella aspirants By William Stone Deke is THE authority on a cappella music, performance, arranging, performing, etc. This is a must read for anyone who wants to understand and/or get into the wonderful world of a cappella music making.

More than any other person, Deke Sharon is responsible for the current success of pop a cappella. Founder of the House Jacks (the original "rock band without instruments"), Deke continues to influence through his work with The Sing-Off, Pitch Perfect, Pitch Perfect 2, and Vocalosity. Combine Deke's expertise with that of directors Ben Spalding and Brody McDonald, add a foreword by Ben Folds, throw in advice from contributors like Peter Hollens, and you have the most comprehensive volume ever created on the subject of contemporary a cappella singing. Sections include: Setting the Stage \* Getting the Band Together \* Arranging \* Preparing \* Technology \* Making a Name \* and more. 404 pages.
