J. Payne Smith : A Compendious Syriac Dictionary: Founded Upon The Thesaurus Syriacus Of R. Payne Smith, D.D. before purchasing it in order to gage whether or not it would be worth my time, and all praised A Compendious Syriac Dictionary: Founded Upon The Thesaurus Syriacus Of R. Payne Smith, D.D.:

1 of 1 people found the following review helpful. Reprint qualityBy Emmanuel GeorgoudakisThe print quality is not very good. It could be far better. The overall format of the book is not right, since it has elongated. It leaves some paper space for future rebinding, or hand notices but with so large width it could have been reprinted with larger fonts, making it more convenient to search.Anyway it is not bad, but it could be better.The text is the expected one, especially for a student's Dictionary, i.e. handy but complete, too.

Published in 1903, this volume is a Syriac dictionary, including abbreviations and explanations.
