

pages, only seven of which have actual definitions on them. 'Thin' comes to mind instead of concise. Need I say more? 2 of 2 people found the following review helpful. Chaucer, a mystery no more. By Bart Not sure what the other reviews meant, but the book I received was just what it promised to be, a concise dictionary of Middle English. Now I can delve fearlessly into all the Chaucer I downloaded.

Although in the age of the Internet we have access to the magnificent Middle English Compendium hosted by the University of Michigan, few students of Middle English would question the usefulness of a desktop copy for day-to-day reference. There has been no handy, reliable edition of such a dictionary for many years. The 1888 edition of Mayhew and Skeat's Concise Dictionary of Middle English can sometimes be found in antiquarian bookshops, but it is scarce, and available copies vary in both condition and cost. This new edition of Mayhew and Skeat has been revised and completely reset for the modern reader. It offers in a concise form more than 11,000 headwords with source references, cross references, and etymologies.

About the Author Roy A. Sites is a Summa Cum Laude graduate of The University of South Florida. He received the King-O'Neal Medal in 1984, the University's highest award for academic excellence, for his work in the Honor's Program in Psychology. He subsequently earned his Master of Liberal Arts degree through the Department of Humanities and taught at the University of South Florida for 5 years. Mr. Sites has a long standing interest in ancient, classical and medieval literature. His personal library of over 1000 volumes spans the years 3,000 B.C. to the present, with a heavy emphasis on ancient Greek Roman literature, Medieval European and Arabic works, Early Church writings and contemporary Christian theology.
