The book I was looking for.By PilgrimHappy to find this available, as I had purchased for a gift years ago and always wished for my own copy--now I've got it.0 of 0 people found the following review helpful. Not so impressed!By yamsNot as nice as I thought; Exhaltation of Larks is a much better book; lots more words and word history included.1 of 2 people found the following review helpful. A Crash of RhinocerosesBy D. I. FowellThis an excellent catalogue of collective nouns. The author is British but the book is published in the USA. The copy I purchased was an ex library copy which was in excellent condition, possibly because it did not seem to have been loaned out!

From A Crash of Rhinoceroses. A Multiplying of Husbands It was usually the men who had a multiplicity of spouses, for having worn out their wives through much childbearing they replacing them fairly quickly when a vacancy arose.. A Descension of Wodewales The wodewale is a green woodpecker or yaffle. It is not easy to accept that descension is a company term for a group of company of woodpeckers. Woodpeckers are essentially solitary birds never moving in flocks. Much more likely,the term may refer to the undulating flight of the bird...
