Edward Hoffman : Ace the Corporate Personality Test before purchasing it in order to gage whether or not it would be worth my time, and all praised Ace the Corporate Personality Test:

2 of 2 people found the following review helpful. a must haveBy DavidPYou need this with the proliferation of the so-called personality tests among companies' hiring practices. It helps you avoid common mistakes as well as hidden pitfalls of some questions.0 of 0 people found the following review helpful. Great book as it was introduced to our class and ...By crystalGreat book as it was introduced to our class and required for reading. Very good case studies. However, purchasing the book new would have come with the software that's referred to throughout the book.0 of 0 people found the following review helpful. Five StarsBy CustomerAwesome book

Virtually everyone looking for corporate work today must submit to a personality test. Better plan ahead and prepare yourself with this quick and easy guide to out-foxing and out-psychoing the dreaded test. Author Edward Hoffman delivers a jargon-free tutorial on what applicants can expect from the test. He explains what six dimensions of

personality the test measures, how the test is evaluated, and most importantly, what employers can and can't ask applicants. Ace the Corporate Personality Test also features: Sample questions and scripted answers from tests that are widely used. Advice on how to frame your answers so they fit the particular position you're seeking, whether in sales, management, or elsewhere. Detailed tips on how to conquer pre-test jitters and optimize concentration. Insights into legal issues and the rights of applicants regarding test results. Learn how to position yourself for the job you want, and ensure that your personality test says everything you want it to say to prospective employers.
