The case interview: analytical, quantitative, creative, challenging... but isn't that what consulting is really about? That's why consulting recruiters use the case interview as a primary means of evaluating interviewees. This follow-up to WetFeet's popular Ace Your Case guide provides 15 more case questions that you can use to practice and sharpen your case-cracking skills. It is designed to provide more detailed explanations of different case types and offers recommended answers you can use to assess your progress. This WetFeet Insider Guide offers Fifteen more practice case questions that will challenge you a little more than those in Ace Your Case. Explanations of the different case types. Sample questions of all three types of case questions. Insight into what a case interviewer may be thinking when they ask certain questions. Detailed examples of good and bad answers for each practice question, along with tips for improving your own answers and recovering from mistakes. Insider tips for handling various case scenarios.
