Narinder K. Mehta : Ace Your Job Search in Five Steps: Powerful Techniques for Building a Successful Career before purchasing it in order to gage whether or not it would be worth my time, and all praised Ace Your Job Search in Five Steps: Powerful Techniques for Building a Successful Career:

The book reveals a step-by-step pathway for finding your dream job. It presents a framework to assess personal skills, put together resumes and cover letters, identify potential employers, prepare for job interviews, and evaluate job offers. It is based on Narinder Mehtas experiences as a job hunter, as a hiring manager for large employers, and as a recruiter with an executive search firm. He shares many powerful techniques for building a successful career. FROM THE BACK COVER: This book is a must read for anyone interested in securing a good job and achieving long-term career success. Professor Connie Wanberg, University of Minnesota This easy-to-read book has many unusual tips from an executive recruiter that can help you discover your ideal job." Dr. Doris Helge, Author "Joy on the Job" and other bestsellers Scintillating, spectacular, wonderful!!!! I loved it. It was particularly timely for me since I am starting my own job search now. Bob Kebartas "I found this book more valuable than the two days I spent with a major outplacement firm. It provides one a better road map for finding their next career position." Joe Barsi
