An Effective, Comprehensive and Valuable Resource By Diana Lea Benson This book made all the difference in terms of my resume becoming noticed, and effectively planning for every scenario in the interviewing process. After 30+ years in the workforce, I now feel confident in moving forward in my job search. Ms. Scardino's techniques and professional insights are comprehensive and come from a recruiter's point of view. I can highly recommend "Acing the Interview: Playing Your Best Hand When It Counts". 0 of 0 people found the following review helpful. I should have gotten the book long ago... By Beans... because I had to "cram" for the interview, but I wouldn't have had to cram if I'd been wise enough to grab it months ago. This book packs all that you,

as a professional wanting to move ahead, need to know about the recruiting/interviewing process into a fast-moving guide you will soak up like a sponge. Sandy has a writing talent that is witty and concise... hardly a word is wasted as you find out every pointer that can possibly help you get hired! It's what you'd expect from one of the country's leading recruiters... and Sandy is! And by the way, I got the job... my first interview, and I love it!

"Throw out everything you think you know about interviewing and read this book!" "Sandy has the most successful interview to offer ratio I've ever seen. You can succeed in every type of interview for every type of position using her approach." -Donya Davis Jones, Principal Donya Rhea Consulting Recruiting Staffing Specialists  
In *Acing the Interview*, multi award winning and nationally recognized head hunter Sandy Scardino shares secrets that will make you the company's first choice over the multitudes vying for the job you want. Many books claim to give you the answers to the tough interview questions. Unless they know your work history intimately, how can that be? In this easy to follow guide, you will be taught to structure your background information into the perfect interview answers through simple yet crucial exercises. *Acing the Interview* is a great interview tool, prepares you for performance reviews and is essential in the maintenance of your career. Also included is sage advice that will give you the competitive edge from someone who had the "company's ear." Here's what Sandy's boss of 10 years had to say: "Take her advice, prepare as she says and you'll likely get the offer. I saw her make offers happen for her candidates through these methods consistently, time after time. They were often not the most qualified; they were, quite simply, prepared to shine above the others." -Emma Jacobs Woerner Founder and President Emjay Computer Careers
