Larry Fine : Acoustic Digital Piano Buyer: Spring 2016 Supplement to The Piano Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Acoustic Digital Piano Buyer: Spring 2016 Supplement to The Piano Book:

0 of 0 people found the following review helpful. Five StarsBy LindaGreat info! Don't buy a piano without checking this book first.0 of 0 people found the following review helpful. Best Piano Information BookBy Bob AUse it constantly reviewing different acoustic pianos. I purchased one based upon the wealth of information that I received from this book and database.0 of 0 people found the following review helpful. Excellent ResourceBy Jim WegnerExactly what I was looking for, now if I can only sell our piano :)

This comprehensive guide provides list prices for more than 3,000 currently manufactured acoustic and digital piano brands and models, as well as advice on how to estimate actual street prices to help negotiate the lowest possible price. Summarizing the essentials of *The Piano Book*, this new resource goes beyond the basics to offer extensive details on digital pianos and reveals all the information necessary to differentiate between a good deal and a great deal when buying a piano. Anyone in the market for a new or used piano including teachers, technicians, students, and aficionados can make a more informed purchase using this definitive guide. Updated twice a year with the most accurate information, the manual fully covers piano manufacturers, instrument models, prices, and current trends and conditions in the piano market.

About the Author Larry Fine is a registered piano technician and a member of the Piano Technicians Guild who has been involved in the field of piano technology for more than 35 years. He is the author of *The Piano Book*. He lives in San Diego, California.
