Not only does Book 3 karate kick you back into the thrilling story of how time came about and whether Ms. Right killed Colonel Mustard in the parlor with the candlestick but be amazed when a unicorn shows up.Take the Reading Comprehension quizzes in each chapter to have the fun last even longer.Then it's back to learning never to touch a person's head in Thailand to making a statement with that tie you wear.A page turner for those who love turning pages.0 of 0 people found the following review helpful.
