Bruce Miller : Actors Alchemy - Finding the Gold in the Script (Roadmap to Success) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Actors Alchemy - Finding the Gold in the Script (Roadmap to Success):

0 of 0 people found the following review helpful. Really Helps! By Brian There are some great points to consider. I have been involved in community theatre for several years and the ideas in this book will help me make better choices

to help tell the play's story. Very good read and should help all who want to better their choices when working on a script. 0 of 0 people found the following review helpful. Well done! By Sammy Great book on cracking this profession. This is the gold to being the best storyteller you can be and always improve! Well done Bruce Miller. 0 of 0 people found the following review helpful. Useful book for acting class By Silvia Schumacher It helps to learn how to analyze screenplays and scripts as well as action words and overall a great reference book for the beginner actor.

(Book). An actor's script is both a gold mine, and the map to discovering it: if properly read, a script will reveal its riches to you. Unfortunately, most actors never learn to efficiently read the map, or master how to convert what they find in a script into playable gold. Why? Because this aspect of the acting process is seldom taught in a simple and tangible way in the classroom or studio. Acting can and should be more than guesswork and instinct. Actor's Alchemy: Finding the Gold in Your Script examines the relationship between the script and what an actor ultimately does on the stage or on screen. Here is a straightforward guide filled with useful information to help actors learn to use their scripts in a specific and analytical way to solve the problems of the scene and bring their elusive characters to life. In learning how to decipher the script, actors will be equipped to make the choices that lead to delivering a gold performance.

About the Author Bruce Miller is an associate professor and the Director of Acting Programs at the University of Miami, where he teaches acting and script analysis. His articles on acting appear regularly in Dramatics magazine and Teaching Theatre. He has conducted acting workshops nationally and internationally, including a series for the Educational Theatre Association's Professional Development Program.
